

## 17' & 22' NON-CONDUCTIVE FIBERGLASS MULTI-POSITION LADDER

### 1. MULTI-POSITION LADDER

Converts to stepladder, extension, 90-degree, and staircase configurations.

### 2. PATENTED RAPID LOCK®

Twist the patented Rapid Lock, adjust outer section to desired height, twist to lock.

### 3. NON-CONDUCTIVE, HI-VIZ GREEN FIBERGLASS

Our Hi-Viz green fiberglass is lightweight and non-conductive. The color is proven to increase visibility, helping prevent injuries and accidents while in use.

### 4. ACCESSORY PORTS

Equipped with accessory ports for use with many of Little Giant's ladder accessories.

### 5. ADJUSTABLE OUTRIGGERS

Equipped with adjustable outriggers that add side-tip stability and leg-leveling capability, so you can work safely on even the toughest terrain.

### 6. V-BAR & INNOVATIVE FEET

V-bar and innovative feet on the extension side of the ladder allows for easy setup on inside and outside corners, walls and poles.

### 7. EASY TRANSPORTATION

Integrated Tip & Glide™ wheels help you move the ladder easily from job to job and the ladder's weight-balanced carrying handle simplifies transportation.
